FARRAH'S
ESTº John Farrah 1840

Our Story

Farrah's was established in 1840 by John Farrah in Harrogate, the beautiful spa town in the North of England. Our famous Original Harrogate Toffee is still made in traditional copper pans and packaged in our distinctive embossed tins that are collectable the world over.

2020 marks our 180th anniversary. An achievement we are very proud of. Our founder built a reputation for producing a quality product that became famous the world over, helped by its unique packaging. This principal is still important to us and is at the heart of what we do.

The last 20 years have seen the company develop into one of the market leaders in bespoke gift confectionery and fine foods and we continue to introduce new ranges to offer the most comprehensive selection possible.

"We want to be your partner for bespoke confectionery and fine foods" (Peter Marston, MD)

2020 sees the introduction of a number of new ranges to our collection. These include Handmade Fudge Drums (Pg 18), Ribbon Sweet Bags (Pg 32), Mega Lolly Bags (Pg 39). We have also added Double Chocolate Chip Cookies to our biscuit range.

After the successful launch of our compostable bags in our hand packed sweet range last year we have taken another step to reducing our use of plastic by removing the plastic tubes from the range. We continue to research the packaging market to source the best materials for our products while considering the environmental impact of all our packaging.

We are very aware of the sensitivity surrounding the use of Palm Oil in products and are working towards using suppliers that can prove their products only contain Responsibly Sourced Palm Oil wherever possible.

You may notice that we have not included our Christmas range in this brochure. We are currently developing a new and comprehensive range for Christmas 2020 and our Christmas catalogue will be launched in the spring.

Our minimum order will remain unchanged at £250 for the majority of UK businesses.

Own Label

We specialise in creating premium own label products for the retail and corporate gift sector and currently supply over 1,500 customers throughout the United Kingdom.

Our artwork design service is still free of charge and any customer can create a range of bespoke products unique to their business. All our design and print facilities are in-house and we use the latest technology to produce a very high quality finish to our products. More details on the Own Label process are on Page 6.

Corporate Gifts

Corporate Gifts is a rapidly increasing part of our business.

We offer a broad range of products bespoke to your business. Artwork set up is free of charge and minimum quantities are very low. Our products are ideal for marketing your business as a giveaway with your orders or as an introduction or reminder to your customers.

Farrah's specialise in own label confectionery, using the same quality products as the Farrah's range, but designed especially for you. This service is free of charge.

Our design teamwork with your images and logo to produce a comprehensive range of bespoke confectionery and fine foods unique to your business to give you a competitive edge in today's challenging marketplace.

We can create full colour digital artwork, that can be printed on to a selection of over 400 different products.

All we require for this service is a minimum order of only £250 for most areas of the UK.

We pride ourselves in offering a quality service which is free of charge. We will work with you to produce a range of products which will be a successful addition to your business.

All designs will be approved by you to ensure you are 100% happy with the artwork before production.

Complete Design Service

We will do it for you...

In order to create your own artwork all we require is an image or logo. You then choose your selection of products and we create the range for you.

You send us a logo and/or image

We produce for you

We work alongside you...

We work with many customers who have their own design ideas, in house designers or brand guidelines. Working with you we can create truly bespoke products.

We can send you our templates and dimensions for your designer or yourselves to create the designs. Alternatively you can send us your guidelines and we can create designs based on these.

All we need is something that you own the copyright to and we can work together to produce something special.

Example shown is courtesy of the V&A Museum

We produce for you

All our products are hand finished. This allows us to create fully bespoke products in single case quantities.

We print your labels and wraps on demand in our print room. Each order is then given to a designated member of the production team who accurately hand apply each label or wrap to every product on your order. An average order of £400 takes one person 5 hours to complete.

Examples Of The Production Process

Sweet Jars being filled with Chocolate Flavoured Rocks

Biscuit Drums being wrapped

170g boxes of Fudge being hand wrapped

Ingredient labels being applied to the Flat Tins

We have experience in producing own label products for many different business types, including:

- Garden Centres
- Farm Shops
- Cafes
- Theme Parks
- Hotels
- Museums
- Corporate
- Delicatessen
- Gift Shops
- Heritage Sites
- TIC's
- Zoo's
- Traditional Sweet Shops
- Visitor Centres
- Cathedrals

For more info or if you have any queries you can contact us at sales@farrahs.com or call us on 01423 883 000.

Eco-friendly Packaging

At Farrah's we continue our drive for more eco-friendly packaging with one of our most popular ranges.

2019 started our development of Farrah's eco-friendly packaging, starting with a compostable bag used for the Hand Packed Sweet range.

Farrah's Hand Packed Sweets bags are made of a film that has been tested for home compostability to standard EN13432. It has also been tested to be of a marine biodegradation standard that means it will biodegrade in sea water. It is a bio-film that is based on renewable resources (wood-pulp from managed plantations).

We hope to extend the range of products using more eco-friendly packaging and will keep customers aware when further products become available.

All these products are available with your own label

A display stand is available for these own label Hand Packed Sweet Bags. Great for promoting the whole range and giving a point of attention in your retail outlet.
